

This application form is for occupational therapists who normally reside outside of Alberta and who wish to teach or provide occupational therapy services temporarily in Alberta. Applicants include educators, researchers, consultants and participants in occupational therapist exchange programs.

Applicants will currently hold an unrestricted practice permit with another licensing/registering organization and have a time limitation attached to their tenure in Alberta. Other applicants may be registered on the Courtesy Register at the discretion of the Registrar.

Courtesy permit registration must be completed prior to the start of any temporary employment in Alberta. **An application for the Courtesy Register must be accompanied by a regulatory history, forwarded to the College from the regulatory body of each jurisdiction where you hold registration/license.**

### Professional Liability Insurance

All occupational therapists practicing in Alberta must hold a minimum of five million dollars professional liability insurance coverage to protect a therapist's assets against lawsuits and defense costs and ensure that clients who have suffered damages can be compensated.

It is the intent of this regulation that all professional activities including clinical, teaching, and research activities, paid or unpaid, are protected. Employer-provided policies typically cover the employee solely for the professional services rendered for that employer. Occupational therapy services provided outside your primary place of employment may not be protected by an employer's group policy.

Regulated members are required to ensure liability insurance protection on all professional activities meet College requirements. The declaration section must be signed and dated in order to complete the application.

### Fees

The Courtesy Register permit fee is \$60.00 per 30 day period. Payment must be submitted with the application and must be paid in full for the duration of tenure in Alberta. Payment may be made by cheque, money order, Visa, or MasterCard. Cheques or money orders should be made payable to Alberta College of Occupational Therapists. All payments are required in Canadian funds.

Mail your application to:

### Processing time

The College normally processes applications for registration within 10 working days of receiving the completed application form, all required documentation and the required fee. Applications received from outside of Canada require additional processing time and it is advisable to allow 6-8 weeks for processing from the time the College receives all documents and fees.
